

PIES ANALYSIS

Pupils' social and emotional progress has been tracked throughout the academic year by using a bespoke Littlegreen assessment system called PIES.

Data is recorded for the following areas:

Behaviour - Learning skills - Emotional development - Social skills

Headlines

- **A higher percentage of non PP pupils made progress in PIES.**
- **Half of PP pupils made progress.**
- **The area that pupils score the best is 'behaviour'.**
- **The area that needs to be developed is 'social skills'.**
- **Emotional skills was the area that made the most progress across the school**
- **Progress was made in all four areas.**
- **61% of all pupils made overall progress in the following areas:**

Average score for each

Behaviour	Learning skills	Emotional	Social
2.52	2.73	2.85	2.90

area:

Area of development

Category	All Pupils (46)	Non PP Pupils (22)	Pupil Premium (24)	FSM (22)	AFC (2)	Comment
Number of pupils who made no progress	18 39%	6 27%	12 50%	11 50%	1 50%	A higher percentage of pupils made progress.
Number of pupils who made progress	28 61%	16 73%	12 50%	11 50%	1 50%	Half of pupil premium pupils made progress.
